5:00 Program Concludes

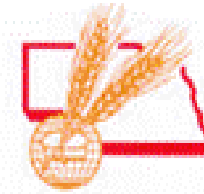

PROGRAM OBJECTIVES

The Nebraska Wheat Growers Association is proudly offering this fourth in a series of educational events to wheat producers in Nebraska. Nebraska wheat is widely recognized in the industry for its consistent high quality, versatility and reliability. As producers, it is important to stay abreast of all the factors that can optimize your operation. We hope you will take this opportunity to enhance your knowledge of wheat production in Nebraska.

The Nebraska Wheat Board (NWB) will meet on Tuesday, December 1 from 8 am—5 pm. The Nebraska Wheat Growers Association (NWGA) will hold their Annual Meeting on Wednesday, December 2 from 8—11:30 am. NWGA will hold election of officers and adoption of resolutions at the annual meeting. All meetings will be held at the Nebraska Wheat Board Office, 4th Floor, State Office Building, Lincoln, NE. The meetings are free and open to the public.

REGISTRATION

Please return your registration no later than **Wednesday November 25, 2009**. You can mail, fax or email your registration to our office.

The Nebraska Wheat Growers Association is committed to representing the interests of Nebraska's wheat producers.

DETAILS, DETAILS

Registration for this first year's series is **FREE**.

This event is **FREE**.

The information to benefit your operation is **PRICELESS**.

Please take a moment and register for this fourth in a series of educational events designed for the wheat producer in Nebraska and brought to you by the Nebraska Wheat Growers Association.

This series is designed to provide Nebraska's wheat producers with seasonally-appropriate information during all phases of crop production. The events will be held at various locations throughout the state and will occur in conjunction with NWB and NWGA meetings.
